

Dear Friends of Children,

Marin Day Schools/Extended Day Services is a wonderful place for children and their families. We are a 501 (c) (3) nonprofit educational organization that provides the highest quality early childhood education and childcare to over 1500 children in the SF bay area, ages 6 weeks through 10 years. ***Our mission is to make sure that children have the very best start in life and enter school ready to learn. We also provide a "home away from home" for children requiring full time childcare.*** Studies have proven the importance of high quality early childhood education as well as the significance of safe, secure childcare programs. That is what we do. What happens to children today affects the future for us as individuals and as a nation.

As we begin our **34<sup>th</sup> Anniversary** year educating and taking care of children, our fundraising event will include a **MEGA RAFFLE** and silent auction at the individual 17 campuses of MDS and EDS. We anticipate selling 20,000 raffle tickets and the **MEGA Raffle drawing will be on April 30, 2015.** Donors will be prominently thanked at the campus events and on the MDS website, which goes out to the public. **Fundraising is good for everyone. A gift certificate will bring people into your place of business and give you the opportunity to make a larger sale or develop a new customer.** All donations are tax deductible within the full extent of the law. Our tax ID number is 942745572.

Money raised through our fundraising efforts are primarily used to provide many families with scholarships and financial aid and **helps us achieve our goal of making high quality childcare available to all children.** We sincerely hope we can rely on you to support our programs this year. It is good for our wonderful SF Bay Area to have well known and respected people and businesses support children's services. Thank you so much.

Very truly yours,

MDS Fund Raising Committee
